Student attending the University of South Carolina pursuing a Computer Engineering Degree. I enjoy a challenge and won't quit until I finish what I'm tasked with.

## EXPERIENCE

**JUNE 2022-AUGUST 2022**

### MANUFACTURER, FIRESIDE HEARTH & HOME TECHNOLOGIES – LAKECITY, MN

Worked on an assembly line with a team of people to create around 180 fireplaces a day. Left to pursue a degree in computer engineering.

**SEPTEMBER 2022-MARCH 2023**

### SOUTH CAROLINA NATIONAL GAURD

I enlisted in the army and went to basic training but got injured and released from the army

## EDUCATION

**AUGUST 2022-CURRENT**

### COMPUTER ENGEERING | UNIVERSITY OF SOUTH CAROLINA

Received the Dean's List.

## SKILLS

- Some Knowledge with Java
- Ability to solve Circuits

## ACTIVITIES

Looking for ways to use what I learn in school to start a business of my own.
